School Aims

- To work towards giving each child equal access to a broad and balanced curriculum which is relevant to their own individual needs.
- To aid the child in developing specific skills in relation to the Core and Foundation subjects of the National Curriculum.
- To encourage the development of those abilities, attitudes and values which result in good social/personal relationships and high self-esteem.
- To help the child to develop an understanding of the multicultural nature of society, fostering a respect for those of different religions, beliefs and ways of life.
- To extend the relationship between school, parents, governors, friends and the local community.
- To provide an environment that combats racism in all forms and provides opportunities for pupils.
